WARRANTY INFORMATION

**WARRANTY INFORMATION** Warranty (Limitations and Exclusions): American Range warrants its new products to be free from defects in material and workmanship for a period of one (1) year from the original date of purchase, not to exceed 18 months from date of shipment from factory. Five-year pro-rated warranty shall apply to Fryers’ stainless steel tank only.

**Exclusions:** Products purchased & installed for residential use, or for use outside the continental United States, are excluded from this warranty. Installations in mobile food trucks/trailers. Installations in food trucks, trailers & mobile/on-site applications are warranted for manufacturing defects for 90 days from installation. If the product has been altered in any way, including but not limited to, cutting, welding, bending, etc., the warranty is null and void. All American Range products must be accessible for service

Light bulbs, porcelain and glass components, are excluded from this warranty. Broiler burners’ lower and upper grates and radiants are warranted for 90 days. Normal parts wear and tear and maintenance are excluded from this warranty. Any product which has been modified by unauthorized personnel or changed from its original design is not covered under this warranty. American Range assumes no obligation for any product which has been subjected to misuse, abuse or harsh chemical environments and climatical conditions. Normal maintenance as outlined in the instructions supplied with the product is the responsibility of the owner/user and is not part of this warranty.

**Installation:** American Range assumes no responsibility for any product not installed properly, and in accordance with the instructions supplied with the equipment. Proper installation such as, but not limited to, air shutter adjustments, calibration, leveling, tightening of fasteners or utility connections normally associated with original installation are the responsibility of the distributor, dealer, owner/end user or installing contractor, and is not covered under this warranty. Improper installation includes but is not limited to:

**Use of inadequate electrical supply or wiring Undersized gas lines Improper gas type Insufficient or improper gas pressure Insufficient or improper voltage. Improper ventilation**

**Disclaimer:** This warranty is in lieu of any other agreement, expressed or implied, and constitutes the only warranty of American Range with respect to its products. This states the exclusive remedy against American Range relating to the products whether in contract or in tort or under any other legal theory, and whether arising out of warranties, representations, instructions, installations or defect from any cause. American Range shall not be liable whether in contract, or in tort, or under any other legal theory for loss of use, revenue or profit, or for any substitute use of performance or for incidental, indirect, special or consequential damages, or for any other loss of cost of similar nature.
